

## Public Notice

### REQUEST FOR CMAR PROPOSALS

#### WASTEWATER TREATMENT FACILITY IMPROVEMENTS PROJECT FOR THE TOWN OF PLATTEVILLE

The Town of Platteville (Town, Owner) will receive electronic Proposals from qualified CMAR firms for the Wastewater Treatment Facility Improvements Project (Project) until 10:00 A.M., November 4<sup>th</sup>, 2020. A Mandatory Pre-Proposal Meeting will be held on October 21<sup>st</sup>, 2020 at 10 AM at the Town of Platteville Town Hall located at 400 Grand Ave, Platteville, CO 80651.

The Project includes expansion of the existing wastewater treatment facility, including but not limited to construction of a new headworks building with screening and grit removal, a sequencing batch reactor (SBR) with two basins, effluent equalization tank, aerobic digester, operations building, and UV disinfection building. Work also includes installation of the following equipment: blowers, decanters, sludge pumps, aeration grids, and all other equipment required for a fully functioning SBR; site piping, process piping, UV disinfection system, valves and appurtenances. Work to include all associated site work related to the project including but not limited to grading, storm drainage, paving, and seeding. In addition, work consists of installation of all electrical conduit and wiring, new electrical service, power panel, motor control centers, programmable logic controllers, and controls and integration.

The Town designates the following person as its representative and Point-of-Contact for this RFP. Respondents shall restrict all contact with the Town and direct all questions in writing regarding this RFP to the Point-of-Contact person:

Simon Farrell, P.E.

JVA, Incorporated

1512 Larimer Street, Suite 710

Denver, CO 80202
